Re: Solists detained in Resistencia

As per your instructions (via Harris), I called the office of Chaco governor Brig. Gen. (R) Antonio Terrano. He was not available. His assistant was rather perturbed with my question, despite my efforts to sound casual and routine. I was told that any matter of that nature should be handled through a formal written inquiry which the Embassy could send directly to Col. Laguer. She had no information on subject case and would not transmit message to the governor or to Laguer, as "such things are not discussed over the telephone". She refused to take the names of the six persons detained.

Do you wish us to pursue this avenue with a letter to Col. Laguer?
